**AFFIDAVIT IN SUPPORT OF COMPLAINT**  
**Case No. 2:25-MJ-14**

**Title 8, United States Code, Section 1326(a)**

As a result of my training and experience, I am familiar with federal immigration laws, including 8 U.S.C. § 1326(a), which makes it unlawful to illegally re-enter the United States after deportation or removal. There are four elements to this offense: (1) That the defendant was an alien at the time alleged in the indictment; (2) That the defendant had previously been deported, denied admission, excluded, or removed from the United States; (3) That thereafter the defendant knowingly entered, attempted to enter, or was found in the United States; and (4) That the defendant had not received the consent of the Secretary of the Department of Homeland Security or the Attorney General of the United States to apply for readmission to the United States since the time of the defendant's previous deportation. An "alien" is any person who is not a citizen or national of the United States. 8 U.S.C. 1101(a)(3).

**Facts Establishing Probable Cause**

On January 28, 2025, Deportation Officers with Immigration and Customs Enforcement (ICE), Enforcement and Removal Operations (ERO), encountered Marcos VELASQUEZ-Solis pursuant to a Public Intoxication Arrest, by the Friona Police Department, in Friona, TX, which is in the Amarillo Division of the Northern District of Texas. Immigration records were queried and discovered that VELASQUEZ-Solis is, and was on January 28, 2025, a citizen and national of Guatemala by virtue of his birth in El Quiche, Guatemala. Those records also showed that VELASQUEZ-Solis had been

removed from the United States on August 13, 2019, at the Valley International Airport in Harlingen, Texas. VELASQUEZ-Solis immigration records showed that he had not received the consent of the Secretary of the Department of Homeland Security or the Attorney General of the United States to apply for readmission to the United States since the time of that previous removal.
